Jr. Woman's Club Donates To Appomattox Fire Dept.

Mrs. Barbara Williams, Chariman of Public Affairs Department for the Appomattox Junior Woman's Club, is shown presenting a $50.00 check to Robert L. Childress, newly elected Chief of the Appomattox County Volunteer Fire Department.

This is just one of the many civic projects that the J. W. C. helps promote.

HOLLYWOOD

We are having some very cold weather. The coldest we've had in several years. It was 4 below here Monday morning. One thing we will all agree on I'm sure, is, I'd like to see it turn warmer.

A good many relatives and friends attended a shower given Mr. and Mrs. Elmo Smith Saturday night. They received a lot of nice gifts.

Mr. and Mrs. Robie Smith of New York are all smiles. It's a baby girl - Congruatulations.

Mr. and Mrs. Bill Watson and children visited Mr. and Mrs. Kenneth Deaner & family Saturday night. They & Mrs. Julian Wingfield were visitors of Mrs. Mary Bagby Sunday night.

Mrs. W. T. Covington spent the week-end with Mr. and Mrs. J. L. Torrence.

We are very sorry to hear Mr. Clem Woodall of Lynchburg is sick and having trouble with his back. We pray, he may soon be well.

Mr. and Mrs. Elliott Torrence visited Mr. and Mrs. Robert Coleman Saturday afternoon.

Mr. Monroe Webb is sick with the flu. We pray he may soon be well.

Much sympathy is extended to the Megginson family in the death of their mother last week.

We are very sorry Mrs. Wade Ferguson, Mrs. Gus Torrence, Mrs. Mattie C. Franklin, Mrs. Addie Jenkins and Mrs. Ber Abbitt continue ill. May God watch over and keep each of them in his care.

React Team Held Coffee Break In Dec.

The Central Virginia React Team held a "coffee break" December 11, 1976 at the WOW Hall. We had many visitors from the local and surrounding areas. Everyone had a good time with our jail and penny toss games. Hourly prizes were given away. Mickey Martin won a Hotdogger, Frances Horning won a Hunting Knife, Frances Horning won a Deep Fryer, Mrs. R. M. Cheatham won a popcorn popper. James Downey won the grand prize of a CB Radio.

Our react club finished out the year with a very good time at this coffee break. We also feel that we have accomplished a lot for a new organization. We have a C.B. base in the sheriffs' office, we donated money to the Jerry Lewis Telethon, and we held two Highway Safety Breaks at the Dixie Blend Service Station on the July 4th and Labor Day week-ends.

We would like to thank the Appomattox Sheriffs Department for the great deal of help that they have been to us in the past year. And we would also like to thank Allen Mayberry at the Dixie Blend Service Station for his help. The local businesses and people have helped us through contributions, their time and in many other ways. We would like to express our gratitude to each and every one of them.

The Central Virginia React will hold a Coffee Break February 26th at the WOW Hall in Appomattox. We would enjoy meeting anyone who would like to react. First prize will be a scanner, and second prize will be $50.00. Come on out and support your local React club and have a good time too.

1976 - Greatest Growth Rate

Families in the areas served by the seven offices of American Federal continued to save at a record-breaking rate during 1976, Jack T. Cosby, President of the association said today at the annual members meeting, Wednesday, January 19, at the main office, 615 Church Street.

Cosby said that 1976 was the greatest growth year American Federal had experienced since its founding in 1925.

"Our savers were paid approximately five and one quarter million dollars in earnings" Cosby said. He noted that the association had an all-time record savings gain of nearly 14,000,000 dollars for the year.

"A continued good savings flow is expected at least during the first part of 1977," Cosby said. An ample supply of mortgage lending funds will be available as a result, he noted.

"Inflation is still our key problem, as I see it," Cosby continued, "And it is my hope that policies are not adopted that will lead us into a double-digit situation".

The president of American Federal observed that the association was entering 1977 in its strontest position ever with assets over the $100,000,000 mark.

"We are most grateful for the continued support of our savings and loan customers. It is they who have made or record growth possible.

As always it is a privilege to serve them," Cosby concluded!

Where Will Your Garden Grow?

Elmore Jordan
Extension Agent

Would you like to raise a vegetable garden, but feel handicapped by lack of space? Get rid of the idea that it takes an acre of land to grow vegetables. Just about every yard, patio, or balcony is a potential garden. The key is planning a garden to fit the space available. The conventional garden, with orderly rows of vegetables located in a rétangular plot is the most common vegetable garden. However, the area does not have to occupy your whole yard, and do not hesitate to utilize another shape for more efficient use of space. By employing space-saving techniques, such as vertical training, stairstep arrangement, and succession cropping, even a tiny plot can be very productive.

You might want to plant several mini-gardens instead of planting all your vegetables in one plot. Useful when space is limited, this alternative locates vegetables in vacant spots around the yard. Some possible sites are near the kitchen window/door, along the sunny side of the house or garage, around the outdoor grill, in a flower bed, or along a fence. placed this way, vegetables serve a dual purpose as both food and landscape plants. And what do you do if you have no yard at all? With a container garden it's possible to raise vegetables on porches, patios, balconies, or even windowsills. Lettuce and radishes will grow in a flower pot, tomatoes in a bucket, and cucumbers in a washtub.

Remember, save all those plastic buckets that food comes in, also try to locate large plastic buckets that are being thrown away by everyone. you may also use clay pots, old pails, bushel baskets, wire baskets with plastic film, or wooden boxes. Most any container is satisfactory.
